ERJ-02061-2015.R1

Thoracic dust exposure in cement production is associated with decline of lung function

Dear Dr Nordby,

I am pleased to see that your manuscript has been accepted for publication in the European Respiratory Journal. It will be published with DOI: 10.1183/13993003.02061-2015

At this stage I need to ask for a signed copyright form for all authors.

Find attached PDF of the form to be completed by all authors. Please e-mail back the completed form within 72 hours.

Please note that delay in receiving these completed forms will delay publication.

Best wishes  
Gill Archer
